The document contains a floor plan of a house model named Dogwood II with Lake Arrowhead Communities. The main level includes features such as a master bedroom, a great room, a kitchen, a garage (2 bay), a bedroom, a laundry room, a dining area, and a porch. The upper optional level includes additional bedrooms and a bathroom. The total square footage of the house is 2268 sq ft. The text also mentions that all renderings are artist conceptions and that the information is subject to changes, omissions, and errors without notice. It is believed to be accurate but is not warranted. The total square footage is based on the main level and the upper optional level. For more details, please consult with the Sales Professional Team.
